Dear Families,

Happy New Academic Year to all our families - old and new!

We were all so pleased to welcome back our pupils last week after the summer break; they looked so smart and a lot taller!

Your children do you proud every single day at our school from how they excel in lessons to how they are developing as fine young men embracing our values in all they do of: **Be Kind, Be Resilient and Be Proud.**

I am incredibly proud of each and every child in our school and I am really looking forward to watching them thrive in the coming academic year - both academically and socially.

We have had a very positive start to the new academic year and thank you for all your support so far. These are exciting times for The Rise School as we grow and we welcome all our new families to our very special school community.

We also welcome all our new staff to our school including a full time Occupational Therapist who will be joining us later in the month.

We look forward to seeing you at our formal opening on **Friday 7th October at 11:30am** where Ade Adepitan will be joining us to recognise and celebrate our new school building.

Please do not hesitate to contact us if you have any queries; nothing is too much trouble for our families.

It is a real privilege to be the Head Teacher of The Rise School and I would like to take this opportunity to thank you for all your support: past, present and future.

**Team work really does make the dream work** at The Rise School.

Best wishes,
