

29 January 2019

Dear Parent/Guardian,

On Monday 11 February Cypress class will be attending their first class trip of the New Year. The trip will be to the Science Museum and will include The Wonderlab Experience as well as a Beautiful Planet 3D IMAX experience.

We will travel to the museum by public transport, departing at approximately 09:30 and returning to school by 14:40. We have an area reserved for lunch and students will need to bring a packed lunch for the trip. Please also be aware of the need for warm clothing on the day itself as weather dictates.

The cost of the trip is £5 per student, this includes travel and the activities booked. Please complete the permission slip below and return to class by Monday 4 February 2019 and make payment for the trip online via ParentPay.

We have a small fund to assist pupils who have difficulty paying for the sessions, so please email susanbradley@theriseschool.com in confidence to discuss how we might be able to help you.

Kind Regards,

Patrick Fisher
Team LOTC

.....

I give permission for my child to attend the Science Museum trip on Monday 11 February 2019 and confirm that the school is aware of any medical conditions or medication my child has/is taking.
