Number tower

Put a number in each square to complete the tower. The correct value is the sum of the numbers in the two squares directly below it.

ANSWERS CAN BE FOUND ON PAGE 27

Code riddles

Read this very carefully! Each of these musical instruments has had each letter replaced by the letter after it in the alphabet, so A has become B, B has become C and so on. Can you break the code to reveal the answers?

EPVCMF CBTT =

USVNQFU =

YZMPQIPOF =

Sudoku

Place the numbers from 1 to 6 exactly once in each row, column and 2x3 bold-lined box, to complete the grid.

Spot the difference

These two pictures from the documentary film *Apollo 11* appear to be the same, but take a closer look. There are actually five differences. Can you spot them?

Over to you

OUR PHOTOS

We'd love to see your snaps. Send them to us at hello@theweekjunior.co.uk. Don't forget to tell us why you took them.

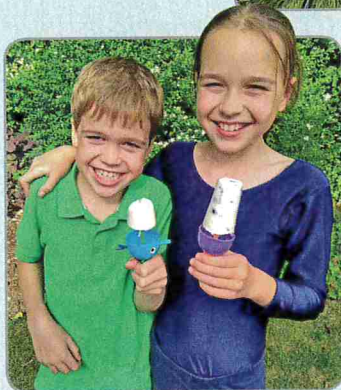

Where 75 years ago soldiers waited to leave England for D-Day, I stood in a field of poppies. 'We will remember them'"

David

"This is Danny and me reading *The Week Junior* during a rainstorm on a wet camping weekend!"

Lawrence

"I made these yoghurt and blueberry frozen lollies from issue 182 and my brother Sam and I really enjoyed them as a refreshing treat in the garden!"

Rosie

Teacher OF THE WEEK

Teacher's name: Mrs Morris

School: Barby CE Primary School, Warwickshire

"Mrs Morris is the most amazing teacher you could wish for! She cares about every student in the school and will always make time to listen to their worries. Every Tuesday Mrs Morris does a Relax Kids session to help children with worries to relax."

Alice

If we pick your teacher as Teacher of the Week, we'll send your school three free issues of *The Week Junior*. Send your nominations, along with a picture of your teacher and your school's full name and address, to hello@theweekjunior.co.uk

POPJAM

Follow *The Week Junior* on PopJam @TheWeekJunior. You can download the free PopJam app from the App Store or Google Play.

Playing the piano is difficult enough. This talented musician can play the instrument hanging in mid-air. You said...

"I would love to try that but I hope the things that are holding him up are strong"

"Wow! That must be exciting and scary at the same time"

Scientists have discovered the largest meteorite crater in the UK. We asked our PopJammers how big they think the crater is...

"Incredible! It must be at least a few football pitches"

"Wow it must be bigger than big!"

Tell us what you think of this week's issue and we'll print some of the best comments here.

The Week Junior is delivered in a recyclable LDPE plastic bag to protect it in the post. Visit tinyurl.com/TWJ-getrecycling to check if your council collects LDPE products.

You include your full name and address so that we can send you one of our Roving Reporter badges if your contribution makes it onto the page. The details you provide to arrange delivery of badges, and we will not share them with anyone else. By submitting your reports and pictures, you agree to allow *The Week Junior* to print them in the magazine and digital editions. Please get your parent/guardian's permission before sending anything to us.
